Discover the beauty and power of low flutes

Is this day for me?

If you own a low flute, or are interested in playing one - YES! We recommend a minimum equivalent playing standard of grade 6 for you to get the most out of the day. Under 18s are welcome as long as they are chaperoned.

Do I have to own a low flute?

No, though places are limited for those who only want to play concert flute. There will be a number of instruments that can be borrowed on the day for those who don't own an alto or bass flute.

Where is the workshop venue?

Orton Waterville Village Hall is just 7 minutes from the A1 exit to the Showground/Chesterton, and 15 minutes from Peterborough Train Station (pick-up/drop-off option is available)
